

Business Analysis and Architecture

How we can help

Alithya will help plan and execute your projects:

- > Architecture
- > Developing or improving solutions
- > Guidance and execution
- > Solutions integration
- > Improvement of business rules or processes
- > Organization of work
- > Knowledge transfer and coaching

What Makes us Different

Alithya is renowned for its expertise in established methods and approaches, as well as its special certifications in business (LOMA), standards (the IIBA's BABOK) and methods (Lean, BPM, Agile).

Our skilled and capable team will conduct first-rate interventions using your organization's preferred methodology. Our consultants will help you choose the solution that best suits your needs.

Our Approach

Our approach favours accelerated deployment and minimal risk, while the quality of our tools reduces project costs and complexity.

- > Delivery process to meet your organizational and project needs
- > Use of established reference frameworks
- > Sound Work principles
- > Specialized experts
- > Dedicated community of practice

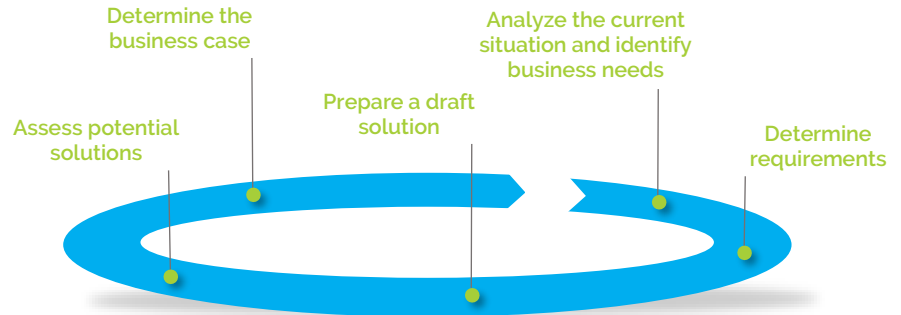

Our Results

Our results are closely aligned with your business strategy and objectives.

- > Informed investment decisions
- > Effective, appropriate solutions that meet your business needs
- > Coherent and harmonious transformation
- > Effective governance of information resources
- > Clearly defined deliverables
- > Ongoing follow-up activities
